Report of Principal and School Improvement Council

Rice Creek Elementary 21st year of teaching and learning has been focused on increasing faculty, student, and parent engagement, and developing and maintaining effective partnerships in order to maximize student learning.

Our faculty currently consists of 14 National Board Certified teachers. One hundred percent of our faculty and staff participated in professional development opportunities throughout the year to develop a deeper understanding of how to better meet the needs of our students in order to maximize their learning potential.

Our magnet program, eFIT (The Environmental Fitness Academy), continued to assist us in building partnerships with our community. As a Professional Development School, through a partnership with the University of South Carolina, Rice Creek had 9 student teachers.. Through our Department of Defense grant we hosted two Parent University evenings which allowed us to connect more with all of our stakeholders. It also allowed us to train a group of students, staff, and parents through the Child2Child and Parent2Parent Programs, in how to better support all new students and families to Rice Creek Elementary.

This year Rice Creek Faculty and Staff formulated shared Core Values and Beliefs, which allowed us to develop a new Vision and Mission, focused on Leadership and Academic Excellence.

Prior accomplishments for Rice Creek Elementary include being recognized as a Palmetto Silver School for General Performance, Palmetto Gold School for closing the achievement gap, National Blue Ribbon School of Excellence, National Blue Ribbon Special Emphasis Award Winner for Technology, Exemplary Writing Award Winner and Hall of Fame Member, two-time Red Carpet Award Winner, and a Flagship School of Promise. These awards and honors are directly related to the hard work and dedication of our students, parents, faculty, staff, and community members.

In conjunction with our SIC and PTO we implemented a new school uniform policy and continued developing deeper relations with our local community, through our mentoring and backpack programs.

School-wide service projects were sponsored for various needs such as: a Zumbathon and food drive in partnership with our PTO for Harvest Hope Food Bank, funds from our faculty in the Breast Cancer Awareness Walk, and funds from our faculty, staff, and students for the Vision Walk. Our PTO efforts and support allowed us to enhance the physical environment of our school with the construction of a shade structure for our Amphitheatre and funds to start with the installation of new playground equipment.

We are extremely proud of our accomplishments at Rice Creek Elementary and know that these are only possible through the support of our parents and community.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Rice Creek Elementary has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
